Number 2

We note that the Chancellor has managed to get himself into hot water again with his autocratic manner and unjust edicts. Dr. SS Talbert now OPPOSES the C. on the Closed Press Order.--Or, wait a minute, is that water really all that hot? Let us place our thermometers of Fact and Logic into the steamy brew and see if we cannot accurately measure the temperature. WHY, does SST now scream about Freedom of the Press? WHY, did he not raise the Point when the Unconstitutional Order was first issued? WHY, did not the various PARTY pinks, comsymps and libbies from Time, Life, Look, SEP, etc IMMEDIATELY raise the hue and cry on this Fundamental Principle? Now, of course, as everyone knows, WE do not belong to the Established Press. RU is so organized that the Dictatorial Decrees of the Adm cannot stop our operation.--But, NO ONE is more concerned with Press Freedom than RU. We despise and abominate the distortions half-truths and outright lies of the many Comsymps who write for the big sheets and networks, but we stoutly maintain that the danger involved in suppressing these perverts of Journalism is EVEN GREATER than the actual and horrible damage they they are doing to our Liberty and Life. If these libbies were Real Journalists and not just a pack of spineless supporters of the Conspiracy, there would be little need of RU. We want them left OFFICIALLY free, however, so that when the glorious Day of the Return of Constitutional America arrives, we will be able to come out aboveground and, once again, read the Truth in the National Press and TV.

The DELAYED protest is caused by the dismay in Party circles, which came with the realization that RU was not only NOT being stopped by the Unlawful Edict, but was actually GROWING at a rapid rate. We now have 3 active, militant, sheets. Clemson and Bama have joined our ranks with well organized staffs, and we are assisting groups in many other schools to get started. THIS is the reason for the DELAYED protest, and NOT any true dedication to Journalistic Principles. These hacks realize that they must get back on the street

with their distorted propaganda, or lose the field to RU by default. Regardless of WHAT they do, however, we are going to have a NETWORK of RUs that will be able to keep the Students of this Nation in close touch with the Truth. We ask the help of all Rebs and Lady Rebs to write to friends in other schools and urge them to get in operation. We are working on an operational Manual and it will be published soon.

Returning to the Press Ban, we want to point out, with sincere respect to our honest State Newsmen who went along with the C. and his autocracy in the interest of "Peace" that this is just one more example which shows that if you attempt to achieve Peace without Justice, you will lose BOTH Peace AND Justice.

We want the Press back on this campus, even if it takes an INJUNCTION to get them back. Our Statutes are being VIOLATED and our RIGHTS are being trampled upon behind this Paper Curtain, and we want every American to know about it.

No one has opposed the coon more than the staff of RU.--But, we stand on the Principle of Free Press at all times. We maintain that if the coon is allowed to whine freely his gibberish will awaken more and more Americans as to what he truly is: Literally and Factually, a brainwashed tool of International Communism. It is only thru the Light of Truth that Communism is going to be defeated, and the more Americans who understand this, the closer we will be to a return to Constitutional America. We say, keep up the attacks and harassment as long as the coon is Unlawfully on this campus, and let his snarls be heard in public. We have an ample supply of pure blooded Brick and Bottle Greys and "Blue-Ticks" on hand to keep him under control.

The Adm is developing a disturbing habit of using vague terms and cliches in announcements. This is not Scholarship. The remark about "yelling 'FIRE' in a theatre is completely incompatible with the existing situation. (OVER)

To begin with, Ole Miss is not a theater. A theater is a place of entertainment. Ole Miss is, properly, a place of study where we acquire the Tools of Education which we will use through our lives. This concept has been altered by the Forced and Unlawful introduction of a Convict Cannibal into our society, under the LAW of the JUNGLE, which, unfortunately, some of our Administrators seem to respect more than they do the LAW of CIVILIZATION. Ole Miss has been turned into a Battleground between the proponents of these two conflicting systems of jurisprudence.

As to the yelling "Fire", the only occasion that we can recall in which this was done in our local situation was by the Indicted Felon, McShane, who was sent to us after being fired from the NYC Police Force for being involved in "Fixed" Prize Fights and Illegal Promotions. McShane, with his criminal background was the logical choice of the Marxist Masters in the White House to provoke violence and disorder. But, we have yet to hear one instance of protest or censure from the Adm as regards the Unlawful Assault by this Criminal and his Criminal Assistants on our students and citizens.

We are somewhat puzzled as to the relationship between the MPs and the Journalism Dep't. Why all the running in and out of the Jour. Bldg. with cameras? Are the MPs now taking Brainwash and Propaganda-101, in addition to guarding the 5mil Coon? Or, is Sidner trying to build up a Palace Guard to counter "Omega-1"? How about Fraternization?

Speaking of our Fink Pulitzer Princess, what gives with her and the coon? They sure do sit close together in class.

The RU will support the C. in his efforts to restore order if he will immediately remove such faculty agitators as: Howard, Barrett, Mrs. Garceau, and, of course, our favorite, Jim "Thirty Pieces" Silver. The licentious and adulterous relationships between some of these coon coddling, libbie faculty members must terminate. These open and flagrant violations of morals and decency are a literal disgrace and if the Adm does not take swift steps to discipline these offenders, then the RU is going to take matters into our own hands. Do we need to explain further?

We are still waiting for an explanation from the Adm as to WHY the coon was reenrolled without probation after Failing 4 subjects last semester.

Do you have a low grade point average? Here is how to raise it: Join the Niggers Ain't Actin' lak Colored People (NAACP) and take courses under 1. Ben Harrison 2. Clare Marquette 3. Frank Morgan and 4. Charlie Fortenberry. Doc Marquette, who comes from Wisconsin (no reflection on Wis., we have native born Comsymps herein Miss., also), "taught" the Coon History last semester. Mar

-quette has long been identified with NAACP and other Red "Fronts" Doc Ben is a typical New Frontier product of Harvard and attempted to instruct the coon in "etres" and "avours" before he had even learned English. Morgan and Fortenberry are usually considered to be "moderate" and "liberal", but we have several staff members (ye Ed. included) who can testify that they are NOT free and easy when it comes to a struggling WHITE Reb caught in their classroom toils. All these Profs. indicated strongly last semester that one can "stay" in Shecago and pass their class. Discrimination is the word with these cats. How about our "accreditation" if this gets out? CR, does the SACSS subscribe to the Jungle Law of JFK which is founded on the principle: "All men are Equal, but Some are MORE Equal than Others"?

Remember, It lak' Mr. Cpon say: It's NOT whether you PASS or FAIL That Counts

It's HOW you CRACK THAT LINE!!!

We understand that Thirty Pieces of Silver who enjoys sipping tea with cannibals at home in the afternoon also likes to discuss the Fall of Rome over the telephone after 2am with any interested Rebs who care to call: 234 2306. Anthropology Doc Bobby Rands, a Blasphemer who stated that Carl Putnam's scholarly work: "Race and Reason" was the Bible is another Prof. who would like to discuss Negroid Frontal Lobes and Sick cell anemia with any Midnite Rambling Rebs. Phone 234 4417.

Speaking of blasphemers, how about this Cool Padre Brer Gray in town? Said the Bible "Was only a Fairy Tale" Can't you just see that wily viper rockin' in the Rectory, suckin' on those weeds, sippin' on that brew and perusin' that ol' Manifesto, while that Good Holy Writ gathers dust in the corner. Brother Dave, come SPEAK to this sinner!!!

We sincerely regret to report that Don Pierce, who was the unfortunate student grabbed by the police in the closing days of last semester is not back in school. Don was not actually an RU staff member, although he was "with us" in spirit as are most of our fellow students. The RUs had already been put out when Don came by and picked up several. Then he was "captured" and severely grilled. They KNEW he was innocent, but they HAD to have a "Goat" They followed him everywhere and ran him out. How about writing him a letter of sympathy, to buck up his Spirits: Rt. 3 Louisville, Miss.
